### **Boat ramp closed at Gallatin Forks Fishing Access Site**

*Partial closure in effect during final phases of construction at bridge site*

**MANHATTAN** – The Nixon Bridge boat ramp at Gallatin Forks Fishing Access Site will be closed starting May 4 while Gallatin County crews finish construction where the bridge was replaced last year.

The boat ramp portion of the site will be closed until further notice. But recreationists will still have walk-in access to the site's eastern portion off Yadon Road. For alternative put-in and take-out locations, please consult Montana's Fishing Access Sites Field Guide, available at [fwp.mt.gov](http://fwp.mt.gov) or at any regional office of Montana Fish, Wildlife & Parks.

Gallatin Forks Fishing Access Site is about 2 miles north of Manhattan along the Gallatin River.
