

Weir Family Fundraiser

As many of you know, last Saturday the Weir family was in a tragic car accident. Tyler was a dedicated member of Team 2 of the Great Falls Ski Patrol and the Weirs are a part of the Showdown family. He along with his son Wyatt died in the accident and his wife Jen and children Wakely and Weston are in the hospital in critical condition. We cannot even begin to describe the impact of this loss on the Central Montana Community. Showdown is going to be donating all proceeds from our closing day, Saturday, April 3, to the Weir Family. We will also be accepting donations at every register with 100% of donations going to the Weir family.

If you can't make it to Showdown tomorrow, you can donate to the Weir family on our website through our online store with 100% of the donations going to the Weir family.

Please join us in supporting the Weir Family Warriors who have given so much. They need all of our love and prayers.

For other information on how to help the family visit the [Weir Family Warriors Facebook Page](#).
