#### **GREAT FALLS FIRE RESCUE FIRE INFORMATION RELEASE**

**Great Falls, MT – The Great Falls City Commission has passed Ordinance 3237 brought forward by Great Falls Fire Rescue. Ordinance 3237 will go into effect beginning in January 2022. Ordinance 3237, addresses the submission of Inspection, Testing and Maintenance Records.**

**Ordinance 3237 requires that all system inspections, tests and maintenance that are required by the International Fire Code, be conducted by qualified individuals who are licensed to perform work in the City of Great Falls. When system inspections, tests and maintenance are performed, the reports of this work shall be submitted to the City’s online reporting vendor.**

**The City’s online reporting vendor, Inspection Reports Online, will be conducting training for all life safety system contractors, on January 11, 2022. This training will be conducted at the Great Falls Civic Center. More information on this training will be placed on the GFFR website.**

**For further questions regarding Ordinance 3237, please contact Great Falls Fire Rescue.**
