IMMEDIATE RELEASE

Eastbound on and off-ramps will close at the Belgrade and Airway Boulevard Interchanges on Monday, June 7; construction also beginning on Bozeman Hill

BOZEMAN/BELGRADE - The Montana Department of Transportation (MDT) will mill and pave the eastbound lanes of the Belgrade Interchange (Exit 298) and the Airway Boulevard Interchange (Exit 299) on Monday, June 7.

During this work, the eastbound on and off-ramps at these interchanges will be closed to motorists for about four hours. The work will begin in the morning and is expected to be completed in the afternoon.

During the ramp closures, those needing to use the on or off-ramps at the Belgrade or Airway Boulevard Interchanges will need to use an alternate route. Please continue east on I 90 and take the North 19th Avenue Exit (Exit 305) and return to your exit on westbound I 90, or take Frontage Road.

Work is also anticipated to begin on the Bozeman Hill Guardrail Project on Wednesday, June 9. This project begins east of the Bozeman Trail Road Interchange (Exit 313) and ends about two miles east of the Flynn Creek Road Interchange (Exit 324). During construction, traffic will be reduced to one lane where guardrail work is taking place. There will also be a 12 foot width restriction in place for westbound traffic from 7:00 am to 7:00 pm Monday through Friday in the Bozeman Hill Guardrail Project work zone.

Construction of both of the projects is expected to be completed in the fall 2021.

"Milling and paving the interchange ramps is an important step in the project," said MDT Engineering Project Manager Craig Walker. "We're making steady progress and are looking forward to making Bozeman Hill safer as we begin construction on the Bozeman Hill Guardrail Project."

MDT encourages motorists to plan ahead, allow extra travel time, slow down and use caution through work zones on Interstate 90. Current construction information and road conditions throughout Montana can also be found at https://www.mdt.mt.gov/travinfo/

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.
