

PRESS RELEASE

Reported Vandalism of Hayden Residence

City of Hayden, Idaho

April 15, 2021

HAYDEN, ID - On April 13, 2021 the City of Hayden was informed of vandalism at a residence of an elderly women in Hayden. It was reported that an open trash bag of feces had been left on her front lawn and a political flag had been removed from the outside of her home.

Hayden is a City that values its citizens and their freedoms. This type of behavior directed toward any member of our community will not be tolerated.

Mayor Griffiths' comments on this matter center on our community's responsibility to strive to treat each other with dignity and respect. Political affiliations are not the issue. In this specific instance, an 80+ year old widow reportedly had her home and yard vandalized.

"My hope is that each of us will treat each other as we would have others treat us. This expectation is simple and powerful."

This reported incident is being investigated by the Kootenai County Sheriff's Office.
