Re: Semi accident MM 101

Date: 5/5/2022

At approximately 1:35 pm, 911 reported a semi vs car on I-90 near MM 101.

On scene, first arriving units advised one vehicle had rolled on I-90 while the semi had proceeded down the embankment and crashed into two parked vehicles, a construction trailer and two shipping containers before coming to rest on its side near the Cracker Barrel parking lot.

One occupant from vehicle on I-90 was transported while the driver of semi was uninjured.

Crews quickly treated the injured driver and mitigated a large diesel fuel leak from the semi-truck.

The Missoula Fire Department was assisted by Missoula Rural Fire District, MESI, County Sheriff's Office, Montana Highway Patrol, Missoula Health Department, North Western Energy and several tow companies.

For additional information contact the Missoula Fire Department between 8 am and 5 pm Monday through Friday. 406-552-6210
