FOR IMMEDIATE RELEASE: Feb 11, 2022

## Health Department to Provide Remaining at-home Covid-19 Test Kits.

The Missoula City-County Health Department will begin distributing Missoula County's allotment of at-home rapid antigen COVID-19 test kits on Monday, February 14<sup>th</sup>. Tests can be picked up from the COVID-19 Testing Center located at 3665 West Broadway, Missoula. Each kit contains two at-home COVID-19 tests, and one kit will be distributed per household.

The Health Department asks that those who are picking up a test kit use the testing entrance to the parking lot. Those who are picking up kits will not need to get out of their car to receive an at-home test kit.

The test kits will be handed out during the following clinic hours:

Monday: 3:00pm - 7:00pm  
Tuesday: 9:00am - 4:00pm  
Wednesday: 9:00am - 4:00pm  
Thursday: 9:00am - 4:00pm  
Friday: 9:00am - 1:00pm  
Saturday: 10:00am - 2:00pm  
Sunday: No hours.

The Health Department will provide kits to the public until stock runs out.
