FEEDBACK/COMMENTS FOR PERSONAL/PROFESSIONAL DEVELOPMENT

Good things were Happening when MR. Fontes Came ON Board. He has Done A good Job with Yards & Court House — I wish He would get out And Introduce Himself TO the public.

I Don't Really Know How well He Does with Staff / I'm not there TO see It on A Daily Basis. I Know I'm not Happy with Mic & I think He Needs To Be Terminated / I'm Also not Happy with The City OF Greenfield partnering with the Marijuana Industry. I'm Saying that, I think His First year was OK. It Can Be Better And I Expect that! 4-20, 2018

* It Seems TO me that Mic IS Calling the Shots & Mr. Fontes Follows Mics Lead. Again I Stress, Mic Need TO Be Fired.
