

Pacific Grove  
Marine  
Gardens  
State Marine

A map of Pacific Grove's current short-term rentals tells the story: If the measure passes, existing rentals represented by the green dots will be phased out over an 18-month period, leaving only licensed rentals in the coastal zone, represented by blue dots, and commercial areas. The reduction would leave about 85 licenses; P.G. is currently set to have 205 licenses next year.
