

VOTE ✓ YES ON RL21

FOR A STRONGER ECONOMY AND BRIGHTER FUTURE FOR OUR STATE!

TRUTH ABOUT RL21.....

- ✓ Creates an estimated \$3.2 BILLION in economic impact statewide, and keeps the local ethanol and agribusiness economy strong.
- ✓ Allows South Dakota counties to collect millions of additional dollars in taxes assessed to the pipeline company to the potential of \$17 million, every year for the lifetime of the pipeline.
- ✓ The additional tax funds will also support schools, law enforcement, and provide property tax relief for everyone.
- ✓ Keeps the ethanol industry thriving, which keeps South Dakota's ag economy vibrant.

FALSE CLAIMS ABOUT RL21....

Voting NO on RL21 Stops the Pipeline

FALSE. A vote no removes the pipeline company's accountability to landowners and the public and hurts farmers and landowners.

Use of Eminent Domain

FALSE. RL21 has NOTHING to do with eminent domain.

Loss of Local Control

FALSE. This vote makes no change to local control and counties continue to have a seat at the table.

Backroom Deal

FALSE. This bill was debated for hundreds of hours on the floor of the legislature and signed by the governor – all in public.

THE REAL "BOONDOGGLE"

The opposition to RL21 is funded by out of state California liberals like Jane Fonda who don't care about South Dakota Ag. In fact, they are against ethanol and common agricultural practices.

Sadly, the opposition will do anything to push their agenda, stop progress, and hurt South Dakotans.
