From: Heath VonEye, Public Works Director

BACKGROUND INFORMATION:

The 10th Ave N reconstruction project from 4th Street West to 4th Street East was completed Fall of 2021. At the July 6th, 2021 Council meeting, it was decided for the benefit of the City and the landowner to move forward with water service work on the 10th Ave N reconstruction project and assessing the landowner the cost for installing their private water service line and the cost of the driveway repair. On July 6th, 2021 the Council approved the Resolution of Necessity 21-32 for the water service improvement.

This public hearing is part of the process pertaining to the statutes set forth by the South Dakota legislature for assessing infrastructure. As outlined in that process, the Council may choose whether to move forward with the terms of the resolution, either as presented or amended.
