It's that time of year to prepare for another school year! The Nutrition Service Department is very excited to serve the children of the Watertown School District with meals this year. Included in this letter is updates and reminders to help you prepare for the return to school.

As we transition back to paid meals, included is tables that outline a proposed budget per student to help you plan for the year. We encourage you to fill out the free and reduced application for the SY 22-23, if you feel you meet the income eligibility requirements. Applications are available at your student's school. Questions on the application can be directed to Kim Johnson in the Superintendent's Office at 605-882-6312 or Kim.Johnson@k12.sd.us.

We are striving to provide the best meals possible to the students of the Watertown School District. As supply chains remain a problem all over the world, I am hopeful that we have planned accordingly and will not have many disruptions to our menus. However, please be patient with us as we cannot guarantee that menu changes will not be necessary. We will work hard to update the menus as soon as we know and as far ahead as we can. Please understand there still could be same day changes based on supply and quality of food. Menu changes will be communicated on the online menu that is located at watertown.k12.sd.us. I am also working towards developing other forms of communication for families to keep you as updated as I possibly can. Look for more to come on this.

Thank you for your patience and understanding! I look forward to a full school year with the opportunity to serve your children!
