Now Hiring

We are looking for motivated, hard-working, tower technicians, ground technicians and civil technicians for immediate work in the St. Louis, Kansas City, and Springfield markets. We have been performing work for cellular providers for last the 20 years throughout the Midwest.

We require employees to be driven, hard-working, safety oriented and willing to work as a team. All applicants must pass a pre-employment drug screen and background check.

If you want to join our motivated, hardworking, and family oriented team please send resumes to careers@tnmsllc.com
Sign on bonuses available for experienced workers.
