This year I ran an ad in the Leader paper under this very special offer. After reading the article, I received a call from Mr. Greg Sumpter. He said he liked what he read and wanted to meet with me to list his parents home. After our meeting, I listed his precious family home. The home was built by his parents years ago and this is where they raised him and his brother. This was very emotional for him. We went under contract within 24 hours with several offers to consider. We closed asap and I was honored to represent him! He was a joy!

I also went to the home of Doug and Margie in 2020 to talk about listing their home and them buying a condo/villa. Covid happened and we hung in there. After 2 years we successfully closed on a Villa in Ballwin and closed on the sale of their home in De Soto. I thank them for their trust in me!

Represented Kurt and Becca on their new home in Festus. Dale and Marilyn on the sale of their home in Hillsboro and purchase of a Villa in De Soto. Jason & Sharon allowed me to sell & purchase their home in De Soto. Jack & Julie allowed me to sell their home in Bonne Terre. Michael & Kayla allowed me to list their home in Festus which we sold and we are in the process of a contract to close in Crystal City. In the process of helping a great couple from California which we are under contract. Selling John's family property which we just closed one and under contract with the other one. Thank you to all of those who have trusted me in their life to help them get to the next chapter of their lives.

That's why I love Real Estate!!!
