*"I would like to thank the team at Rose Lawn Monuments for the beautiful Bicentennial Monument to commemorate our county's 200th birthday. The monument is beautiful, and the production staff has been great to work with. If you get a chance to run out to the Administration Building in Hillsboro, it is located in front of that building."*

~ Bill Haggard  
Vice-Chairman of the Jefferson County Bicentennial Committee

*"We decided to include a monument as part of our pre-planning. Rose Lawn Monuments was excellent in guiding us through the entire process. We thought*

*of them as advocates and not salespeople. We received the beautiful stone we envisioned and saved thousands of dollars (literally) by using Rose Lawn Monuments."*
