WATERTOWN — Taylor Swift, in her current stratospheric pop star status, won't be coming to the north country to perform anytime soon. But for "Swifties" who need a live concert fix, the Disabled Persons Action Organization Concert Series has booked what could be the next best thing.

The DPAO has announced a series of events for its 2025 Concerts for a Cause series. As it celebrates 51 years of bringing high-quality entertainment to the north country, DPAO has expanded its programming to include diverse experiences, combining concerts with non-concert events to raise funds and awareness for its mission.

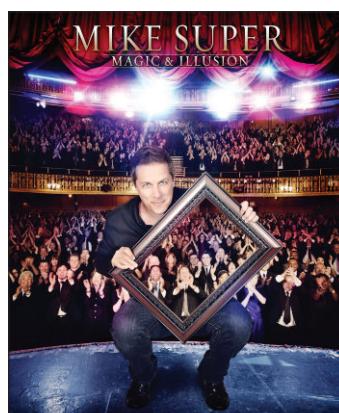

■ On Saturday, May 17, DPAO will host "Play for a Cause," a charity casino night at the Caprara-Faichney Drive Business Center's banquet room, 1291 Faichney Drive, Watertown. The evening will include: Classic casino games including blackjack, double roulette, Texas hold 'em, craps, three-card poker and a casino money wheel — all played with DPAO "Casino Fun Money."

Live music from Rochester-based band Music of the Stars begins at 9 p.m. The gambling floor will be open from 6 to 9. There will be complimentary food and a cash beer and wine bar. General admission tickets are \$50 and are available at Kinney Drugs stores, the DPAO Foundation office (1291 Faichney Drive) and online at [dpaconcerts.com](http://dpaconcerts.com).

The event will feature world championship-winning competitors and one of the hottest new names in monster truck racing. In a bracket style tournament, pairs of drivers will line up against each other in a fight for the racing championship.

■ Mike Super - Magic & Illusion, Saturday, Aug. 5, Watertown Fairgrounds Arena.

Winner of NBC's "Phenomenon," a finalist on "America's Got Talent" and a standout on "Penn & Teller: Fool Us," Super delivers a one-of-a-kind performance filled with jaw-dropping illusions, music, laughter and audience participation in a family friendly style.

■ Rock & Wrestling - Micro-Mania with Mini Kiss — Saturday, Aug. 16, Watertown Fairgrounds Arena.

MicroMania is where explosive wrestling meets epic showmanship, starring "micro athletes" with supersized personalities. The show is topped off with a rock 'n roll performance by Mini Kiss.

The Chamber of Commerce presents Summer Fest 2024 on June 14th in Arsenal Green Park (rain location, Malone Civic Center.) Local businesses can showcase new wares or make new connections with potential customers. Local musicians will entertain all day long. In past years, over 500 folks have attended.

Summer Fest starts at 10 am and runs until 3 pm on June 14th. Vendors and food trucks will be on hand and a kids' corner will be set up. There is no admission charge to the public. "The Durham County Poets," a very popular band, will entertain from 11 am to 3 pm on the Lions Club Memorial Bandstand. The public is welcome to bring their own lawn chairs and enjoy the show at no charge. The Poets are outstanding!

A new feature this year is a special sale of antique lilac trees from the Wilder Farm. This winter they discovered that there are 2 known trees remaining from those that were brought from Europe in the 1700's, one at Jefferson's Monticello and the other at the Almanzo Wilder Farm. What an amazing piece of news! Do you want a piece of history at your house? Small trees will be available for sale. Why not add one to your property?

According to Chamber

board president, Mary Scharf, "All kinds of vendors will be there, so bring cash! There will be food trucks as well, so if it's donuts, burgers, or hotdogs you like, they will be available. Come enjoy our beautiful park, vendors, food, and fresh air! Don't miss the Durham County Poets!"

Malone's Chamber of Commerce continues to work to energize Malone by organizing events for residents to enjoy and welcome visitors to the area. Sponsors make this happen and include: Community Health Center of the North Country, Alice Hyde Medical Center, Café Nouveau, Explore Adirondack Frontier, Citizen Advocates, Desimo Productions, Ellis Auto, One-Group, Seacomm Credit Union, Malone Ford, NCCC Kim Duffey, Business Department, Asept Pak, the Free Trader, Mountain Marketing Services, the Malone Golf Club, IBC, Casella, Kathy's Treasures, the Riverside, United Ag and Turf, U-First, the Wilder Homestead, and Wild Country Radio. Grant funding was provided by Explore Adirondack Frontier. This shows you how important Summer Fest is! Details are on the Chamber's Facebook page and website: [www.malonechamberofcommerce.com](http://www.malonechamberofcommerce.com).

A bounce house was set up at Summer Fest 2024 for young attendees to have some fun with. This year's Malone Chamber of Commerce sponsored event will take place on June 14th at Arsenal Green Park in Malone. Alexander Violo/Malone Telegram

# Hendrickson Hatch Fly Fishing Tournament

During the weekend of May 31 & June 1, 2025, the Malone Revitalization Foundation will host the 19th annual Hendrickson Hatch Fly Fishing Tournament. This Malone event evolved in the Spring of 2005 with hopes of drawing attention to one of the North Country's most productive streams: the Salmon River. The event's success over past years has demonstrated that this river is

one of New York's State's finest trout fishing streams. Both the DEC and Malone Revitalization Foundation stock the river with brown and rainbow trout.

Registration will be held at the Malone Fish and Game Club at 1310 Webster St. Road. Registration will run from 8:00 am until 9:45 am on Saturday, May 31st, and fishing will begin at 10:00 am and run until 12:00 pm on Sunday, June 2th. The

registration fee is \$85, and \$25 for children 16 and under. All proceeds for the tournament will go to the Malone Revitalization Foundation for continued enhancement and stocking of the Salmon River.

The entrance fee comes with many benefits. Registration is accompanied by free coffee from McDonald's and free donuts from Dunkin Donuts. Lunch on Saturday is provided by Jreck Subs and an evening reception at the Damon's camp (456 Bare Hill Road) will start at 6 pm with an informal BBQ. A fire pit will be glowing, and many fish tales will be told. Several local restaurants have special prices for tournament participants.

An awards ceremony and a barbecue will be held at 12:00 noon on Sunday afternoon at the Malone Fish and Game Club. Plaques will be awarded to the top three winning fishermen based on the total number of inches accumulated. This year new awards will be given to Hall of Fame winners. Every participant will be entered in a drawing for the chance to win miscellaneous door prizes. Over 35 local businesses have donated prizes for tourney entrants! A special thanks goes to Runnings, IBC, The Jug Store, Blue Line Sports, Tim Damon, Bob Hudack, and the Malone Fish and Game Club. The Franklin County Explore Adirondack Frontier provided grant funds to Malone Revitalization Foundation for stocking trophy trout.

The Hendrickson Hatch Fly Fishing Tournament is a catch and release buddy tournament. Interested anglers may contact Mary Scharf at 518-521-3226 to register or visit [www.hendricksonhatch.org](http://www.hendricksonhatch.org) for a brochure, registration, and additional information. You may also register and pay online at [www.malonerevitalizationfoundation.com](http://www.malonerevitalizationfoundation.com). Come join the fun! Payment at the tournament will be cash or check only.

# Celebrating Lilacs as the Wilder Farm Opens for the 2025 Season

The Almanzo Wilder Homestead is pleased to announce their 2025 season opening day will be May 24, after which the Homestead will be open to the public every Wednesday through Sunday through the summer season, with daily tours at 10am, 12pm, and 2pm. The Wilder Homestead is located at 177 Stacy Road in Burke, NY.

On opening weekend, the Wilder Farm will be celebrating the beauty of lilacs. If you'd like to support the Farm, one way to do so is to buy a Wilder Farm lilac for your yard or garden, during opening weekend or later as supplies last. Pack a picnic and make your way to the Wilder Homestead for a family outing on the grounds and, if you like, take a tour.

Volunteers, Bruce Bonesteel, Mary Scharf, Ann Selkirk, Sharron Perry, and Dale Selkirk were among those who gathered recently to dig up and pot shoots from the heritage lilac at the Wilder Homestead. Cuttings will be sold as a fundraiser during the site's opening weekend, May 24 through 26, and as long as supplies last. [almanzowilderfarm.com](http://almanzowilderfarm.com)

In a Mother Earth Gardener article titled "A Celebration of Lilacs", by Samantha Johnson, published on February 26, 2019, the author writes about the lilacs mentioned in Laura Ingalls Wilder's book Farmer Boy stating, "Lilacs growing today on the Wilder Homestead in Malone, New York, are believed to descend from the 19th-century lilacs described in her book."

Everyone loves lilacs! So visit the Wilder Homestead on opening day, take home a lilac from the Farm, and experience the beautiful, fragrant springtime blooms and a piece of Wilder Farm history for many years to come.

Tour admissions are \$16 for adults, \$10 for youth 6 to 16, and

no charge for children 5 and under. The Visitor Center with gift

shop and museum is open to the public at no charge during open hours. More information is at [almanzowilderfarm.com](http://almanzowilderfarm.com).

# Country singer Nate Smith to headline Mountainfest at Fort Drum

By JONATHON WHEELER

jwheeler@wdt.net

FORT DRUM — Fort Drum has announced that country singer Nate Smith is set to headline Mountainfest.

Joseph Escandon, 10th Mountain Division deputy commander for operations, said in a news release. "This broke the German defenses in the Apennine campaign, and it is a great moment in history for the 10th Mountain Division."

Smith had his song "Wildfire" go viral in 2020, which helped assist him launch his singing career and has a duet with Avril Lavigne.

Most recently, Smith won Best New Male Artist of the Year at the Academy of Country Music Awards last year.

Col. Matthew Myer, garrison commander of Fort Drum stated that he appreciates the support from everyone that helps put on the free show and the celebration of soldiers, their families, and their service.

"It's just a great community environment," he said in the news release.

Gates are set to open at noon on June 26 on Division Hill. Families and festival-goers can enjoy midway games and activities, a car show, and the 10th Mountain Division Band performance.

Summertime and the grillins' easy...

**Mark Murray, President, Liberty NY Gas & Hazel, Certified Taste Tester**

Natural gas is great for space heating, water heating, drying clothes, and cooking. But what many people forget is natural gas can also be used for grilling.

Natural gas grills offer precise temperature control and rapid heating, making them ideal for backyard BBQ heros, like Mark (and his trusty sidekick).

The best part? When you upgrade your standard grill to a natural gas grill, you can **say goodbye to running out of propane in the middle of grilling that juicy steak**. Treat yourself this summer to tasty grilled food and all the convenience of a natural gas grill. After picking up your new grill, make sure to give Mark's favorite recipe a try!

### Massena Signature Steak

- Pick your favorite cut of meat (how about a nice NY Strip?)
- Coat both sides of the steak with savory steakhouse seasoning
- Grill steak to desired temperature
- Apply multiple pats of butter and sprinkle with fresh rosemary and thyme.
