

**March 10, 2023**

Number of Head: 1,908

There were 207 cows and 32 bulls. The packer market was steady as demand remains seasonally strong. Top packer cow was at \$101/cwt, while the top packer bull was at \$127/cwt!

The calf market was higher by over \$38 per head due to heavier weights and a stronger market especially on heavier weights. A very strong and upbeat market on all classes. It was a great day to be a seller!!
