Dear Emily and Alex,

Please accept this letter in response to Emily Lamb's email dated April 22, 2024.

This is to advise that, going forward, from the date of this letter, Nashville Department of Transportation and Multimodal Infrastructure (NDOT) staff to the Transportation Licensing Commission (TLC) want to make clear that they are not approving any deviations from the TLC Regulation providing that no Entertainment Transportation Vehicles (ETVs), including but not limited to seated sightseeing vehicles (SSVs), may operate within the Metropolitan Government area between the hours of 4pm and 6pm on weekdays. Thus, to the extent your client, Old Town Trolley, believes that it has been granted the authority to deviate from that operating hour restriction, it should, henceforward, clearly understand that no such deviation is being authorized. Accordingly, if, in future, your client's ETVs are observed to be operating during those hours (as operation is defined in Section 6.77.320 of the Metropolitan Code), in any part of the Metropolitan Government area, by NDOT staff to the TLC, please be aware they will be subject to citation and/or disciplinary action for this violation.

Thank you for your cooperation.

Regards,
