COLORING FUN!

CHAPTER 5 of 5 story chapters. The Conclusion!

Our story so far: Even though Rocco Bruin ruined the project, he DID manage to help find something in the rubble that belongs to Julius Duck.

“Rocco, you’ve made quite a mess of the dog house, but you’ve found my comic book. I’m going to keep it under my pillow from now on.”

“Glad to help!” said Rocco. “Do you want me to finish the job?”

Julius said, “Um... no thanks. We’re good.”

“Okay, I’ll be on my way then,” said Rocco. “Here’s my card. Tell your friends I’m always ready to get it done!”

With a wave and a smile, Rocco started out to find his next project. Maybe his next adventure will be in YOUR town!
