SUMMER FUN GUIDE

Robin Scholz/The News-Gazette

Timothy Brinson, 2, of Texas is stoic as he rides the kiddie Ferris wheel for the first time during opening night of the 2025 Champaign County Fair in Urbana. He was there with his grandparents. This year's event is set for July 25-Aug. 1.

ABOUT THIS SECTION: NIKO DUGAN

A WORD ABOUT THIS CALENDAR

We are happy to present the following calendar of events happening around East Central Illinois this summer.

This year, we relied on the public to submit events to our online portal. Thank you to those who sent in information.

As you can imagine, this calendar is nowhere near a definitive guide to everything happening throughout all the counties we serve. This is merely a starting point.

In many cases, these events were submitted weeks or months in advance. Please know that the times may change or events may be altered or even canceled.

That's why, when possible, we have included contact information. If you have questions about a particular event, please reach out to the provided phone number or email, or check the provided website.

We hope you have a great summer!
