

# Exploring the World

Jan 6–27

Tuesdays, 10 am

# Tuesdays at Ten

## Great Cats and Other Elusive Creatures

In this series, join biologists, photographers, and world travelers Michael Jeffords and Susan Post as they take us on a worldwide journey exploring everything from snow leopards, and Bengal tigers, to atlas moths, dragon mantids, and giant katydid. We will explore India, Australia, Ecuador, Borneo, southern Africa, and other exciting sites.
