Investors in money market funds should carefully consider information contained in the prospectus, or, if available, the summary prospectus, including investment objectives, risks, charges, and expenses. You can request a mutual fund prospectus by calling Schwab at 1-800-435-4000. Please read the prospectus carefully before investing.

You could lose money by investing in the Schwab Money Funds. SWVXX seeks to preserve the value of your investment at \$1.00 per share, but cannot guarantee it will do so. SWVXX may impose a fee upon the sale of your shares or may temporarily suspend your ability to sell shares if the fund's liquidity falls below required minimums because of market conditions or other factors. An investment in the Schwab Money Funds is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Schwab Money Funds' sponsor has no legal obligation to provide financial support to the Funds, and you should not expect that the sponsor will provide financial support to the Funds at any time.

Past performance is no guarantee of future results. For the most recent 7-day yields, see schwab.com.

The 7-Day Yield is the average income paid out over the previous seven days assuming interest income is not reinvested and it reflects the effect of all applicable waivers. Absent such waivers, the fund's yield would have been lower.

Charles Schwab Investment Management, Inc. (CSIM), the investment advisor for Schwab Funds, and Schwab, Member SIPC, the distributor for Schwab Funds, are separate but affiliated companies and subsidiaries of The Charles Schwab Corporation.
