#### Investigation

At approximately 8:20pm on Friday, March 31, 2023 the Winona Police Department took a report of a missing person. The reporting party ("Reporting Party") indicated that they were best friends with Madeline Jane Kingsbury (Date of Birth: June 1, 1996), who she had not had contact with all day, which she characterized as unusual. Reporting Party went to Kingsbury's residence and did not get an answer to her knocks at the door at 456 Kerry Drive, located in the City of Winona, Winona County, State of Minnesota. Reporting Party also informed officers that she was aware that Kingsbury was having issues with her significant other, Adam Taylor Fravel (Date of Birth: January 29, 1994).

As of April 24, 2023, Madeline Kingsbury is still missing. It is believed that she was last seen in her van, a 2014 Chrysler minivan. There is an ongoing investigation into the whereabouts of Kingsbury along with the travels of her van along with the movements of Adam Fravel.

After looking at numerous hours of video, officers learned that a First Student, Inc., school bus had driven by 465 Kerry Dr. on March 31, 2023 at approximately 1455 hours. Officers made phone contact with an employee of First Student, Inc., and learned there are cameras on the bus that continuously record.

The video was archived and saved. First Student, Inc., in requesting legal service to obtain copies of the this video. Your affiant is requesting the court's permission to seek the video from this location.
