Dear School District of Mondovi Family,

It is with great sadness that we provide you with this update. The school district has been informed that Dylan Passa, who was a SENIOR at Mondovi High School, has passed away. His family notified the district last evening.

This is a truly devastating time for our entire community.

Please know that counselors will be available to meet with students and staff now and in the coming days. If you or your child needs any assistance dealing with this death, please speak with a counselor. You may set up an appointment with a counselor by calling or emailing:
