

# *Outdoor Dining At Its Best*

Refresh your palate at Lynchburg's premier LifeCare community. Our dining services offer customized recipes, a focus on nutrition, special events that bring people together around food and a staff that makes residents feel at home.

Here, you can choose from an exceptional variety of menu items in our three dining venues – the elegant Dogwood Dining Room, the casual Canterbury Café or the comfortable and popular James River Grille. From soup and sandwich to surf and turf, meals are specially prepared with an eye on nutrition and dietary needs.

Enhance your well-being and discover life refreshed!
