Official Virginia History Ornament of 2025

This year's **Official 2025 Virginia History Christmas Ornament** commemorates America's Semiquincentennial. It features the Declaration of Independence flanked by flags, wrapped in a frame of Dogwood blossoms, and illuminated by fireworks. It speaks to the founding of a new nation, and the leading role Virginians played in making it so.

Gift History This Season

From intricately designed ornaments and artisan pottery to beautifully turned wood pieces, elegant glassware, LEGO® products, and gourmet food items, our offerings celebrate both local artisans and historical traditions.

Explore both in-store and online.
