

PiedmontEyeCenter

EYE CARE FOR THE WHOLE FAMILY

What does it mean to be a “multi-specialty” practice? It means that we have your eye care covered with nine ophthalmology trained physicians covering seven different specialties. There is no need to travel to see a specialist. Central Virginia’s largest multi-specialty ophthalmology practice is right here in Lynchburg.

Visit www.piedmonteye.com for our **COVID-19 protocols and policies to keep you safe. Schedule your appointment today!**

SPECIALTIES

Retina	Eye Exams	Neuro	Cornea
