West Valley High School senior Adrien Johnson went through Access Alaska Summer Work Program and realized he likes to motivate others. The program

also helped him get a job at Old Navy.

Lathrop High School senior Dianna Certain went through the same program and knows she wants to work with animals when she finishes school.

Sixteen students went through the summer Work Program, visiting 14 job sites and learning new skills firsthand while figuring out what kind of work they like.

"It was extremely suc-

UNITED NATIONS — Facing an escalating nuclear threat from North Korea and the mass flight of minority Muslims from Myanmar, world leaders gather at the United Nations starting Monday to tackle these and other tough challenges — from the spread of terrorism to a warming planet.

The spotlight will be on U.S. President Donald Trump and France's new leader, Emmanuel

Macron, who will be making their first appearances at the General Assembly. They will be joined by more than 100 heads of state and government, including Zimba-
