Mr. Brad Haggard, President  
925 Felix Street  
St. Joseph, Missouri 64501

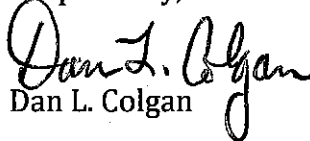

Dear Mr. Haggard;

After a great deal of consideration, I have decided to resign from the School District of St. Joseph Board of Education effective immediately.

This is a difficult decision for me, as I dearly love the St. Joseph School District. I want what is best for the students, staff and parents and I had hoped to be a part of the District's future.

It has become clear, however, that it is best for me to step down for the sake of mending the District and for my own health and wellbeing. I will continue to hold the School District in a special place in my heart until my last breath.

Respectfully,

  
Dan L. Colgan

c.c. Ms. Debbie Consolver, Secretary  
Board of Education
