Here They Come

It's that time again; busloads of children descend on schools, teachers in classrooms ready to prepare them for a successful future. The dictionary defines success as "achieving a hoped-for outcome". Perhaps, then, we must also teach our youngsters how to achieve, so they will be successful. How does one learn to "achieve"? King Solomon filled the Book of Proverbs with advice on how to be successful. "Trust in the Lord with all your heart...He will make straight your paths." (Proverbs 3.5-6) Worship with your children; God will sustain your family through the school year and in the years to come.
