You'll Never Have to Work

An anonymous quote tells us, "If you find out how to make money at something you love doing, then you'll never have to work another day in your life." Meaning, if you love what you're doing then it's not "work"! If you don't have a job that you love maybe you can learn to love what you do. For a better chance at success, you will want to include daily prayer in your plan for fulfillment. Your relationship with God determines your attitude, your confidence, and your peace of mind. Visit His House and give thanks this Labor Day.
