A resolution authorizing a settlement in a legal matter concerning a claim for Suzan Patrick, CCMSI Claim No. 24G57K994034 and to provide for related matters. (Parishwide)

WHEREAS, the Parish of Jefferson is a party in a claim for Suzan Patrick, CCMSI Claim No. 24G5

JEFFERSON PARISH LEGALS

on the Official Zoning Map of Jefferson Parish; and

WHEREAS, the Planning Director of this Parish has caused to be duly advertised, as prescribed by law, a public hearing in connection with the zoning reclassification of said lot under Docket No. W-2-24; and

WHEREAS, a public hearing was held by the Planning Advisory Board, in accordance with law; and

NOW, THEREFORE, THE JEFFERSON PARISH COUNCIL HEREBY ORDAINS:

SECTION I. That the zoning classification of Lot 29-A, Square 21, Harvey Canal Subdivision, located at 1030 Estalote Ave., bounded by 16th St., Pallet Ave., and Wilmer Garrison St., Jefferson Parish, LA, be and is hereby amended and changed from C-2 General Business District to R-1A Single-Family Residential District.

SECTION II. That the Planning Director for the Parish of Jefferson be and is hereby directed, authorized and empowered to make any necessary and appropriate changes and amendments to the Official Zoning Map contained in Chapter 40 Zoning of the Jefferson Parish Code of Ordinances, designating the above mentioned and described property as R-1A Single-Family Residential District.

SECTION III. That the Parish of Jefferson has not examined or reviewed the title of any portion of land shown, or any restrictive covenants or restrictions placed on said property, and that the action of the Parish in this matter does not imply (1) that the applicant's or owner's title or ownership is valid, (2) that there are or are not any restrictive covenants or other restrictions on said property, or (3) that any restrictive covenants or restrictions that may be on said property are enforceable or are not enforceable.

This ordinance having been submitted to a vote, the vote thereon was as follows:

YEAS: 7 NAYS: None ABSENT: None

This ordinance was declared to be adopted on the 12th day of June, 2024, and shall become effective as follows, if signed forthwith by the Parish President, ten (10) days after adoption; thereafter, upon the signature by the Parish President, or, if not signed by the Parish President, upon expiration of the time for ordinances to be considered finally adopted without the signature of the Parish President, as provided in Section 2.07 of the Charter. If vetoed by the Parish President and subsequently approved by the Council, this ordinance shall become effective on the day of such approval.

On motion of Mr. Liljeberg, seconded by Mr. Walker, the following ordinance was offered:

SUMMARY NO. 26332 ORDINANCE NO. 26809

An ordinance decreasing the speed limit from thirty miles per hour (30 MPH) to twenty-five miles per hour (25 MPH) on Severn Avenue from the intersection of Severn Avenue and West Esplanade Avenue north to the terminus of Severn Avenue at the Lake Pontchartrain Levee, Metairie, Louisiana. (Council District 5)

WHEREAS, Severn Avenue is currently striped with a shared-lane for both vehicles and bicycles to connect the neighborhood to the Lakefront Trail; and

WHEREAS, the reduction of the speed limit to twenty-five miles per hour (25 MPH) is an appropriate speed for a road with a shared-lane for bicycles and vehicles;

NOW, THEREFORE, THE JEFFERSON PARISH COUNCIL HEREBY ORDAINS:

SECTION 1. That the speed limit is hereby decreased from thirty miles per hour (30 MPH) to twenty-five miles per hour (25 MPH) on Severn Avenue from the intersection of Severn Avenue and West Esplanade Avenue north to the terminus of Severn Avenue at the Lake Pontchartrain Levee, Metairie, Louisiana.

SECTION 2. That the Traffic Engineering Division of the Department of Engineering is hereby authorized and directed to install the appropriate speed limit signs, in accordance with the provisions of this ordinance and with the provisions of Section 36-30 of the Jefferson Parish Code of Ordinances.

The foregoing ordinance having been submitted to a vote; the vote thereon was as follows:

YEAS: 7 NAYS: None ABSENT: None

This ordinance was declared to be adopted on the 12th day of June, 2024, and shall become effective as follows, if signed forthwith by the Parish President, ten (10) days after adoption; thereafter, upon the signature by the Parish President, or, if not signed by the Parish President, upon expiration of the time for ordinances to be considered finally adopted without the signature of the Parish President, as provided in Section 2.07 of the Charter. If vetoed by the Parish President and subsequently approved by the Council, this ordinance shall become effective on the day of such approval.

On motion of Ms. Van Vrancken seconded by Mr. Walker, the following ordinance was offered as amended:

SUMMARY NO. 26334 ORDINANCE NO. 26811

An ordinance to amend Ordinance No. 14796, The Pay Plan for the Classified Service of Jefferson Parish, to amend the Fair Labor Standards Act overtime exempt status designation from numerous classifications to ensure ongoing compliance with the Fair Labor Standards Act overtime regulations.

WHEREAS, pursuant to Article 4, Section 4.03 of the Parish Charter, the Personnel Board approved, after duly advertised public hearing, an amendment of the Pay Plan for the Classified Service of Jefferson Parish to amend the Fair Labor Standards Act overtime exempt status designation of numerous classifications; and,

WHEREAS, this proposal has been forwarded to this Council through the Parish President; and,

WHEREAS, this proposal has been recommended to this Council as necessary and in the best interest of the Parish Service;

THE JEFFERSON PARISH COUNCIL HEREBY ORDAINS:

SECTION 1. That Ordinance No. 14796, The Pay Plan for the Classified Service of Jefferson Parish, Louisiana, be, and is hereby, amended to incorporate the following changes to the Fair Labor Standards Act overtime exempt status designation as listed in Sections 2 through 3.

SECTION 2. The classifications listed below shall be designated as Exempt Salary-Dependent (E/S). Classifications designated as E/S have been found to meet the duties test as outlined in the Fair Labor Standards Act overtime regulations. An employee in a classification with an E/S designation must have a salary of at least the designated salary as listed in the Fair Labor Standards Act overtime regulations in order to be Exempt from Overtime Compensation.

RESOLUTION NO. 144392

A resolution approving Change Order No. 1 to the Contract No. 55-00020782 dated December 13, 2022, with Cycle Construction Company, L.L.C., (Instrument 12260177, Mortgage Book 5011, Page 958) for an increase of \$708,776.93, (17.41% increase) to the original contract amount for the Nicolelle Blvd. Bike Path (Jamie Blvd. to Lapalco Blvd.), Public Works Project No. 2017-056-RBP, Proposal No. 50-00138710. Work associated with this Change Order is complete and within the original scope of the project. (Council District 3)

WHEREAS, it was necessary to revise the project estimated quantities for six (6) contract items to the actual measured quantity during construction, resulting in an increase to the contract in the amount of \$113,789.00; and

WHEREAS, during the course of construction, it was necessary to construct a new conflict box to install a drainage line crossing a previously unforeseen existing sewer force main, resulting in an increase to the contract in the amount of \$9,921.63; and

WHEREAS, due to unforeseen poor soils along portions of the Project under the new bike path, several areas required over excavation and backfill with stone bedding to provide a firm foundation for the path, resulting in an increase to the contract in the amount of \$100,607.89; and

WHEREAS, it was determined to be in the best interest of the Parish to add ADA ramps with truncated dome plates to the bike path at intersecting streets for the safety of pedestrians deciding to utilize the bike path, resulting in an increase to the contract in the amount of \$82,166.01; and

WHEREAS, due to required field adjustments to the planned locations of several path lights and Entergy pole relocations, there was a need to restore sections of the previously installed new bike path's subbase and stone base course, resulting in an increase to the contract in the amount of \$5,598.31; and

WHEREAS, in order to provide continuous access to the adjacent neighborhood while maintaining safe flow for path users, it was required to remove and replace a portion of sidewalk, resulting in an increase to the contract in the amount of \$7,177.86; and

WHEREAS, in order to improve drainage away from adjacent properties there was a need to add additional drainage infrastructure at Churchill Pkwy., resulting in an increase to the contract in the amount of \$2,125.07; and

WHEREAS, in order to provide continued access for adjacent property owners and maintain safety measures, there was a need to remove barbed wire fencing on both the east side and west side of the Avondale Canal and replace with new heavy duty tube gate, resulting in an increase to the contract in the amount of \$22,350.50; and

WHEREAS, due to time required to resolve an unanticipated right-of-way dispute and finalize the relocation of underground and overhead utilities, it was required to store, unload and reload the Avondale and Main Canal bridges and remobilize pile driving rigs, resulting in an increase the contract in the amount of \$73,731.19; and

WHEREAS, due to the summer drought of 2023 with subsequent drop in the water table that resulted in deterioration of the lime-treated subbase, it was necessary to address unanticipated cracking of the asphalt in the bike path, resulting in an increase to the contract in the amount of \$12,354.11; and

WHEREAS, there was a need to construct (2) new access driveways with associated subsurface drainage culvert crossings for an adjacent property owner in accordance with the executed property acquisition agreement, resulting in an increase to the contract in the amount of \$236,800.57; and

WHEREAS, the overgrown vegetation adjacent to private property, it was determined that modifications were required to drainage structures to allow for proper drainage to avoid ponding on existing properties adjacent to the new bike path, resulting in an increase to the contract in the amount of \$24,154.79; and

WHEREAS, the above contract modifications result in the increase of three hundred twenty-four (324) calendar days to the contract time; and

WHEREAS, Change Order No. 1 amounts to an increase of \$708,776.93 and represents a 17.41% increase to the contract amount from \$4,070,003.00 to \$4,778,779.93; and

WHEREAS, the engineering firm of Professional Engineering Consultants Corporation, who was selected for Design and Construction Administration services, recommends approval of Change Order No. 1; and

WHEREAS, there have been no previously recorded change orders.

NOW, THEREFORE, BE IT RESOLVED by the Jefferson Parish Council of Jefferson Parish, Louisiana, acting as the governing authority of said Parish:

SECTION 1. That the Council does hereby approve Change Order No. 1 to the Contract No. 55-00020782 dated December 13, 2022, with Cycle Construction Company, L.L.C., (Instrument 12260177, Mortgage Book 5011, Page 958) for an increase of \$708,776.93, (17.41% increase) to the original contract amount and an additional 324 calendar days to the contract time for the Nicolelle Blvd. Bike Path (Jamie Blvd. to Lapalco Blvd.), Public Works Project No. 2017-056-RBP, Proposal No. 50-00138710. RESOLUTION NO. 144419

A resolution approving a Cooperative Endeavor Agreement between the Parish of Jefferson (PARISH) and the City of Kenner (CITY) to provide Hazard Mitigation Grant Funds from the Federal Emergency Management Agency (FEMA) through the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) in an amount of federal funding not-to-exceed \$117,450.00 and non-federal share of \$39,150.00 for a total project award of \$156,600.00 for the purpose of installing one permanent generator at the Kenner Food Bank, a critical facility located at 317 Oxley Street. (Council District 3)

WHEREAS, on September 2, 2008 the Federal Disaster Declaration was made as a result of Hurricane Gustav and Hazard Mitigation Grant Program (HMGP) 5% Initiative funds were consequently allocated to GOHSEP; and

WHEREAS, the objective of these projects is to provide generators to critical facilities; and

WHEREAS, the Federal Emergency Management Agency (FEMA) has provided a grantee award dated June 10, 2019 to the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) and GOHSEP has provided a subgrantee award to Jefferson Parish for project number HMGP #1786-022-0002; and

WHEREAS, GOHSEP through FEMA shall pay the PARISH a maximum of \$117,450.00 in federal funds in consideration of eligible services performed; and

WHEREAS, CITY shall pay the non-federal share of \$39,150.00; and

WHEREAS, pursuant to Resolution No. 134681, adopted on the 6th day of November, 2019, the Jefferson Parish Council approved an Intergovernmental Agreement between Jefferson Parish and the City of Kenner (the "Original Agreement") for the purposes of installing two permanent generators at two critical facility sites in the City of Kenner for an amount not-to-exceed \$117,450.00. These sites include Fire Station #37 located at 1919 40th Street and the Food Bank located at 317 Oxley Street; and

WHEREAS, the installation at Fire Station #37 located at 1919 40th Street was deemed unfeasible by the City of Kenner, and therefore an amendment to the award from GOHSEP was pursued to move the funds allocated for the Fire Station to be reallocated to the Food Bank located at 317 Oxley Street, which was just recently approved; and

WHEREAS, the Original Agreement expired on January 16, 2021, prior to the approval of the amendment to the award from GOHSEP, and therefore no work has been done to date; and

WHEREAS, as a result, the Parish of Jefferson and the City of Kenner are seeking to enter into a new agreement for the purpose of accomplishing the installation of the generator at the Food Bank located at 317 Oxley Street; and

WHEREAS, Art. VII, Sec. 14(C) of the Louisiana Constitution of 1974 provides that for a public purpose, the State and its political subdivisions may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private organization, corporation or individuals; and

WHEREAS, Art. VII, Sec. 14(B) of the Louisiana Constitution of 1974 provides that public funds may be used for programs of social welfare for the aid and support of the citizens of Jefferson Parish; and

WHEREAS, PARISH and CITY are constitutionally and statutorily-created local political bodies of the State of Louisiana with the constitutional and statutory authority to contract, including entering into Cooperative Endeavor agreements; and

WHEREAS, PARISH and CITY are authorized to enter into this Cooperative Endeavor Agreement pursuant to La. R.S. 33:1324 which permits any parish, municipality or political subdivision of the state, or any combination thereof, to make agreements between or among themselves to engage jointly in the construction or improvement of any public project; and

WHEREAS, PARISH is authorized by Jefferson Parish Charter Article 1, **Section 1.01** (8), to enter into this Agreement to develop, maintain and operate flood control and surface drainage programs, works, and systems; and cooperate with federal, regional, and state agencies in their development, administration, and operation for the benefit of all citizens of Jefferson Parish; and

WHEREAS, the public purpose of the Project is to aid in the protection of residents and critical facilities by installing permanent generators to eliminate the potential for critical facilities to not be operational during natural and manmade disasters; and

WHEREAS, PARISH has a reasonable expectation of receiving a benefit or value of increased operations at facilities during natural and manmade disasters, which is at least equivalent to the \$117,450.00 provided for in this Agreement; and

WHEREAS, the transfer or expenditure of public funds or property is not a gratuitous donation; and

WHEREAS, the citizens of Jefferson Parish will benefit from the efforts of these parties working together; and

WHEREAS, PARISH desires to cooperate with CITY in the implementation of the project as hereinafter provided.

NOW, THEREFORE, BE IT RESOLVED by the Jefferson Parish Council of Jefferson Parish, Louisiana, acting as the governing authority of said Parish:

SECTION 1. That the Cooperative Endeavor Agreement between the Parish of Jefferson and the City of Kenner in an amount of federal funding not-to-exceed \$117,450.00 and non-federal share of \$39,150.00 for a total project award of \$156,600.00 for the purpose of installing one permanent generator at the Kenner Food Bank, a critical facility located at 317 Oxley Street be and is hereby approved.

SECTION 2. That all costs associated with this agreement shall be charged to Account No. 21410-1240-xxx-xxxx (14149.004).

SECTION 3. That the Chairman of the Jefferson Parish Council, or in his absence the Vice-Chairperson, is hereby authorized to sign any and all documents necessary to give full force and effect to this resolution.

RESOLUTION NO. 144420

A resolution authorizing the Department of Purchasing to advertise for Requests for Proposals to provide East Bank and West Bank Carnival/Mardi Gras reviewing stands for the 2025 and 2026 Carnival seasons for the Department of Citizens' Affairs. (Council Districts 3 & 5)

WHEREAS, the Department of Citizens' Affairs solicits the construction of reviewing stands for East Bank and West Bank Carnival participants including Parish Administration, Parish Council, Carnival Krewe, and the general public; and

WHEREAS, the successful vendor is authorized to construct and solicit rentals of non-parish reviewing stands and is required to remit payment to Jefferson Parish based on fair market value for limited use of Jefferson Parish rights-of-way for the 2025-2026 Carnival/Mardi Gras Seasons; and

WHEREAS, the Parish of Jefferson has prepared a Request for Proposals from firms to provide East Bank and West Bank Carnival/Mardi Gras reviewing stands; and

WHEREAS, considering the technical requirements of these services and the required payment to the Parish for fair market value, it is in the best interest of Jefferson Parish to obtain competitive proposals as allowed by **Section 2-895 et. Seq.** and in accordance with Jefferson Parish procurement regulations from qualified proposers who are interested in providing East Bank and West Bank Carnival/Mardi Gras reviewing stands.

NOW, THEREFORE, BE IT RESOLVED by the Jefferson Parish Council of Jefferson Parish, Louisiana, acting as governing authority of said Parish:

SECTION 1. That the Purchasing Department be and is hereby authorized to advertise for Requests for Proposals for East Bank and West Bank Carnival/Mardi Gras reviewing stands for 2025 and 2026 Carnival seasons for the Department of Citizens' Affairs.

SECTION 2. That the evaluation of firms shall be based on criteria set forth in **Section 2-895** of the Jefferson Parish Code of Ordinances, and more specifically in the Request for Proposal advertisement.

SECTION 3. That the evaluation shall be conducted by the Request for Proposal Evaluation Committee comprising of a representative from the Research and Budget Department, a representative from the Finance Department, a representative from the Purchasing Department, a representative from the Citizens Affairs Department, and a representative from the Parish Attorney's Office. The representative of the Parish Attorney's Office will be a non-evaluating member and shall act as secretary of the Evaluation Committee, who is solely responsible for disseminating all information received during the review process.

SECTION 4. The cost of advertising shall be charged to account #10010-0410-133-7443.

SECTION 5. That the Council Chairperson, or in his absence the Vice-Chairperson, is hereby authorized to sign any and all documents necessary to implement this resolution.

RESOLUTION NO. 144443

A resolution authorizing the Parish Purchasing Department to advertise for Statements of Qualifications (Technical Evaluation Committee (TEC) Questionnaire) from persons or firms interested and qualified to provide professional engineering services related to the design and construction of a new drainage pump station for Independence Park neighborhood. (Council District 5)

WHEREAS, the Jefferson Parish Drainage Department has determined the need for drainage improvements for Independence Park neighborhood, bounded by Veterans (north), Service Road (south), Jody and Lexington (west), and Hessmer (east); and

WHEREAS, it is in the best interest of the Parish to advertise for the submittal of a Statement of Qualifications from persons or firms interested in and qualified to provide professional engineering services related to the design and construction of the improvements; and

WHEREAS, the Department of Capital Projects will be responsible for the preparation of a "Public Notice" that is to be submitted to the Parish Purchasing Department with instructions to commence the advertisement process as required by law; and

WHEREAS, the Technical Evaluation Committee will be responsible for evaluating and scoring the Statement of Qualifications submitted by responding firms.

NOW, THEREFORE, BE IT RESOLVED by the Parish Council of Jefferson Parish, Louisiana, acting as governing authority of said Parish:

SECTION 1. That the Jefferson Parish Purchasing Department is hereby authorized to advertise for the submittal of a Statement of Qualifications (Technical Evaluation Committee (TEC) Questionnaire) from persons or firms interested in and qualified to provide engineering services related to the design and construction of a new drainage pump station for Independence Park neighborhood.

SECTION 2. That the Technical Evaluation Committee will be responsible for evaluating and scoring the Statement of Qualifications submitted by responding firms.

SECTION 3. That the following criteria will be used to evaluate the statement of the persons or firms submitting:

- Professional training and experience both generally and in relation to the type and magnitude of work required for the particular project. - (Maximum points awarded shall be 35).
- Verifiability of the number of professional and support personnel required to perform the type of engineering tasks, including project evaluation, project design, drafting of technical plans, development of technical specifications and construction administration. - (Maximum points awarded shall be 10).
- Capacity for timely completion of newly assigned work, considering the factors of type of engineering task, current unfinished workload, and person or firm's available professional and support personnel. - (Maximum points awarded shall be 20).
- Past Performance by person or firm on projects of or similar complexity, size, scope, and scale. Assertions of fault by a person or firm, which shall include time delays, cost overruns, and or design inadequacies in prior work completed for the Parish shall be evidenced by substantiating documentation provided by the Director of Public Works for the requesting department or the Director of Engineering and received by the Chairman of the Evaluation Committee a minimum of two (2) weeks prior to the scheduled date of the Technical Evaluation Committee meeting. - (Maximum points awarded shall be 10).
- Location of the principal office. Preference shall be given to persons or firms with a principal business office as follows: (1) Jefferson Parish, including municipalities located within Jefferson Parish (15 points); (2) Neighboring Parishes of the Greater New Orleans Metropolitan Region, which includes Orleans, Plaquemines, St. Bernard, St. Charles, and St. Tammany Parishes (12 Points); (3) Parishes other than the foregoing (10 Points); (4) Outside the State of Louisiana (6 Points). - (Maximum points awarded shall be 15).
- Adversarial legal proceedings between the Parish and the person or firm performing professional services, in which the Parish prevailed or any ongoing adversarial legal proceedings between the Parish and the person or firm performing professional services, excluding those instances or cases where the person or firm was added as an indispensable party, or where the person or firm participated in or assisted the public entity in prosecution of its claim. In the event that the person or firm fails to provide accurate and detailed information regarding legal proceedings with the Parish, including the absence of legal proceedings, the person or firm shall be deemed unresponsive with regard to this category, and zero (0) points shall be awarded. -

(Maximum points awarded shall be 15).

SECTION 4. That the persons or firms submitting a Statement of Qualifications shall have the following minimum qualifications:

- The persons or firms under consideration shall have at least one (1) principal who is a licensed, registered professional engineer in the State of Louisiana. A subcontractor may not be used to meet this requirement. (Section C. of TEC Professional Services Questionnaire);
- The persons or firms under consideration shall have a professional in charge of the Project who is a licensed, registered professional engineer in the State of Louisiana with a minimum of five (5) years' experience. A subcontractor may not be used to meet this requirement. (Section K. "PROFESSIONAL IN CHARGE OF PROJECT:" of TEC Professional Services Questionnaire);
- The persons or firms under consideration shall have one (1) employee who is a licensed, registered professional engineer in the State of Louisiana in the applicable discipline involved. A subcontractor may not meet this requirement only if the advertised Project involves more than one discipline (Section D. of TEC Professional Services Questionnaire)

SECTION 5. That only those persons or firms receiving an overall cumulative score of at least seventy percent (70%) or greater, with their highest and lowest score not counted, of the total possible points for all categories to be assigned by the participating Technical Evaluation Committee members shall be deemed qualified to perform these professional services.

SECTION 6. That the cost of advertisement is to be charged to Account No. 45230-4039-7540 (52356.100).

SECTION 7. That the cost of these services will be negotiated with the Jefferson Parish Department of Capital Projects.

SECTION 8. That no work associated with this project shall be authorized by Jefferson Parish until a funding source is established.

SECTION 9. That when a funding source is established for financing necessary services associated with this project, proper account lines will be established.

SECTION 10. That disputes/protests relating to the decisions by the evaluation committee or by the Jefferson Parish Council shall be brought before the 24th Judicial District Court.

SECTION 11. That the Council Chairman or in his or her absence the Vice Chairperson is authorized to execute any and all documents necessary to give full force and effect to this resolution.

A resolution appointing Captain Craig M. Burkett

JEFFERSON PARISH LEGALS

(504) 736-6779.

For fixed fee work, the fee shall be negotiated with the firm by the Jefferson Parish Department of Ecosystem and Coastal Management and shall be mutually agreeable to both parties.

Compensation for supplemental services, if required, shall be in the form of a "lump sum" for each supplemental service, which shall be mutually agreeable to the Parish and the Consultant.

All costs associated with this project shall be subject to Jefferson Parish review and approval.

A maximum yearly cap established by Jefferson Parish based on anticipated needs for these services shall be \$500,000 per engineering contract, and the established cap shall not be increased without Council approval.

Minimum Requirements for Selection

- The persons or firms under consideration shall have at least one (1) principal who is a licensed, a professional engineer in the State of Louisiana in the applicable discipline involved.
- The persons or firms under consideration shall have a professional in charge of the Project who is a licensed, registered engineer in the State of Louisiana with a minimum of five (5) years' experience (Section K. "PROFESSIONAL IN CHARGE OF PROJECT:" of TEC Professional Services Questionnaire);
- The persons or firms under consideration shall have one (1) employee who is a licensed professional engineer in the State of Louisiana in the applicable discipline involved. A subcontractor may meet this requirement only if the advertised Project involves more than one discipline (Section D. of TEC Professional Services Questionnaire).

Principal is defined as the sole proprietor of the firm, or one who shares an ownership interest with other persons in the firm, including but not limited to, a partner in a partnership, a shareholder in a corporation, or a member of a limited liability corporation.

Evaluation Criteria

The following criteria shall be used to evaluate each firm submitting a Statement of Qualifications:

- Professional training and experience in relation to coastal engineering including, but not limited to, coastal planning, permitting, design, marsh and ridge restoration, shoreline stabilization and protection, beneficial use of dredge material, living shoreline design, hydrologic and hydraulic modeling, biological and environmental assessments of wetlands, design analysis and reports, technical evaluations, cost estimates, field investigations, coastal grant writing, outreach and educational support (Maximum points awarded shall be 35).
- Size of firm considering the number of professional and support personnel required to perform the type of engineering tasks, including project evaluation, project design, drafting of technical plans, development of technical specifications and construction administration (Maximum points shall be 20).
- Capacity for timely completion of newly assigned work, considering the factors of type of engineering task, current unfinished workload, and person or firm's available professional and support personnel – (Maximum points shall be 20).
- Past performance by person or firm on projects of or similar comparable size, scope, and scale. Assertions of fault by a person or firm, which shall include time delays, cost overruns, and or design inadequacies in prior work completed for the Parish shall be evidenced by substantiating documentation provided by the Director of Public Works for the requesting department or the Director of Engineering and received by the Chairman of the Evaluation Committee a minimum of two (2) weeks prior to the scheduled date of the Technical Evaluation Committee meeting (Maximum points awarded shall be 10).
- Location of the principal office. Preference shall be given to persons or firms with a principal business office as follows: (1) Jefferson Parish, including municipalities located within Jefferson Parish (15 points); (2) Neighboring Parishes of the Greater New Orleans Metropolitan Region, which includes Orleans, Plaquemines, St. Bernard, St. Charles, St. Tammany (12 Points); (3) Parishes other than the foregoing (10 Points); (4) Outside the State of Louisiana (6 Points) (Maximum points awarded shall be 15).
- Adversarial legal proceedings between the Parish and the person or firm performing professional services, in which the Parish prevailed or any ongoing adversarial legal proceedings between the Parish and the person of firm performing professional services, excluding those instances or cases where the person or firm was added as an indispensable party, or where the person or firm participated in or assisted the public entity in prosecution of its claim. In the event that the person or firm fails to provide accurate and detailed information regarding legal proceedings with the Parish, including the absence of legal proceedings, the person or firm shall be deemed unresponsive with regard to this category, and zero (0) points shall be awarded (Maximum points awarded shall be 15 for the lack of any such adversarial proceedings as defined).
- Past successful completion of projects of the type and nature of the engineering services, as defined, for which firm has provided verifiable references (Maximum points awarded shall be 15).

Each firm's lowest and highest score shall be dropped and not count towards the firm's score. Only those persons or firms receiving an overall cumulative score of at least seventy percent (70%) or greater, of the total possible points for all categories to be assigned by the participating Technical Evaluation Committee members shall be deemed qualified to perform engineering consulting tasks.

All firms must submit a Statement of Qualifications (TEC Questionnaire) and must identify all sub-consultant firms which they expect to use to provide professional services, and submit a Statement of Qualifications (TEC Questionnaire) for each sub-consultant firm. (Refer to Jefferson Parish Code Ordinance, Section 2-928). Additionally notarized affidavits must be included from the prime and any of their subs listed in the proposal.

Submissions are to be submitted on the eProcurement site at www.jeffparishbids.net.

These submissions will only be accepted electronically via the Parish's e-Procurement system, Central Bidding. Central Bidding can be accessed by visiting either www.centralactionhouse.com or www.jeffparishbids.net. All vendors will be required to register with Central Bidding. Jefferson Parish vendors are able to register for free by accessing the following link: www.centralactionhouse.com/registration.

No SOQ submittals will be accepted after the deadline.

Affidavits are not required to be submitted with the Statement of Qualifications, but shall be submitted prior to contract approval, including any subs.

Insurances are not required to be submitted with the Statement of Qualifications, but shall be submitted prior to contract approval, including any subs.

Disputes/protests relating to the decisions by the evaluation committee or by the Jefferson Parish Council shall be brought before the 24th Judicial Court.

PUBLIC NOTICE SOQ 24-023

Laboratory Services as needed for Inspection of Materials and Equipment

The Parish of Jefferson, authorized by **Resolution No.144326**, is hereby soliciting a Statement of Qualifications (TEC Professional Services Questionnaire) from persons or firms interested and qualified to provide Laboratory Services for inspection of materials and equipment for Public Works projects on an as-needed basis for a period of Two (2) years.

Deadline for Submissions: 3:30 p.m., July 18, 2024

General

The firms submitting a Statement of Qualifications (Jefferson Parish TEC Questionnaire) must identify all sub-consultant firms which they expect to use to provide professional services, and submit a Statement of Qualifications (Jefferson Parish TEC Questionnaire) for each sub-consultant firm. (Refer to Jefferson Parish Code Ordinance, Section 2-928).

With regard to the questionnaire, Principal means the sole proprietor of the firm, or one who shares an ownership interest with other persons in the firm, including but not limited to, a partner in a partnership, a shareholder in a corporation, or a member of a limited liability corporation.

Compensation

The maximum cumulative fee that can be charged for all work on this contract shall not exceed \$500,000 per year unless increased by contract amendment approved by the Jefferson Parish Council. The cost of these Laboratory Services will be negotiated by the Jefferson Parish Department of Engineering.

Minimum Requirements for Selection

1. one principal who is a professional engineer, who shall be registered as such in Louisiana.
2. a professional in charge of the project who is a professional engineer, who shall be registered as such in Louisiana, with a minimum of five (5) years of experience in the disciplines involved.
3. one employee who is a professional engineer, who shall be registered as such in Louisiana in the field or fields of expertise required for the project (A sub-consultant may meet the requirement only if the advertised project involves more than one discipline.)

Evaluation Criteria

The following criteria will be used to evaluate the statement of the firms submitting:

1. Professional training and experience in relation to the type of work required for laboratory testing services for inspection of materials and equipment - 35 points.
2. Size of firm, considering the number of professional and support personnel required to perform laboratory testing tasks, including drafting of reports - 10 points.
3. Capacity for timely completion of newly assigned work, considering the factors of current unfinished workload, and person or firm's available professional and support personnel - 20 points.
4. Past Performance by person or firm on projects of similar or comparable size, scope, and scale - 10 points (Assertions of fault by a person or firm, which shall include time delays, cost overruns, and or design inadequacies in prior work completed for the Parish shall be evidenced by substantiating documentation provided by the Director of Public Works for the requesting department or the Director of Engineering and received by the Chairman of the Evaluation Committee a minimum of two (2) weeks prior to the scheduled date of the Technical Evaluation Committee Meeting.)
5. Location of the principal office - 15 points (Preference shall be given to persons or firms with a principal business office as follows: (A) Jefferson Parish, including municipalities located within Jefferson Parish (15 Points); (B) Neighboring Parishes of the Greater New Orleans Metropolitan Region, which includes Orleans, Plaquemines, St. Bernard, St. Charles and St. Tammany Parishes (12 Points); (C) Parishes other than the foregoing (10 Points); (D) Outside the State of Louisiana (6 Points).);
6. Adversarial legal proceedings between the Parish and the person or firm performing professional services, in which the Parish prevailed or any ongoing adversarial legal proceedings between the Parish and the person or firm performing professional services, excluding those instances or cases where the person or firm was added as an indispensable party, or where the person or firm participated in or assisted the public entity in prosecution of its claim - 15 points (In the event that the person or firm fails to provide accurate and detailed information regarding legal proceedings with the Parish, including the absence of legal proceedings, the person or firm shall be deemed unresponsive with regard to this category, and zero (0) points shall be awarded.);
7. Prior successful completion of projects requiring laboratory testing services for which firm has provided verifiable references - 15 points.

Each firm's lowest and highest score shall be dropped and not count towards the firm's score. Only those persons or firms receiving an overall cumulative score of at least seventy (70) percent or greater, of the total possible points for all categories to be assigned by the participating technical evaluation committee members shall be deemed qualified to perform architectural, engineering, surveying, and laboratory and field services tasks.

The maximum cumulative fee that can be charged for all work on this contract shall not exceed \$500,000 per year unless increased by contract amendment approved by the Jefferson Parish Council. There is no limit to the number of assignments that can be awarded to a firm.

All firms (including sub-consultants) must submit a Statement of Qualifications (Jefferson Parish TEC Questionnaire). Please obtain the latest questionnaire form by calling the Purchasing Department by telephone at (504) 364-2678 or using our web address: www.jeffparish.net. Submissions shall be submitted on the eProcurement site at www.jeffparishbids.net. These submissions will only be accepted electronically via the Parish's e-Procurement system, Central Bidding. Central Bidding can be accessed by visiting either www.centralactionhouse.com or www.jeffparishbids.net. All vendors will be required to register with Central Bidding. Jefferson Parish vendors are able to register for free by accessing the following link: www.centralactionhouse.com/registration.

The firms submitting a Statement of Qualifications (Jefferson Parish TEC Professional Services Questionnaire) must identify all sub-

consultant firms which they expect to use to provide professional services, and submit a Statement of Qualifications (Jefferson Parish TEC Professional Services Questionnaire) for each sub-consultant firm. (Refer to Jefferson Parish Code of Ordinances, Section 2-928).

No submittals will be accepted after the deadline Affidavits and Insurances are not required to be submitted with the Statement of Qualifications, but shall be submitted prior to contract approval.

Insurances are not required to be submitted with the Statement of Qualifications, but shall be submitted prior to contract approval, including any subs.

Disputes/protests relating to the decisions by the evaluation committee or by the Jefferson Parish Council shall be brought before the 24th Judicial Court.
