The Parish of Jefferson, authorized by **Resolution No. 148226** is hereby soliciting a Statement of Qualifications (TEC Professional Services Questionnaire) from persons or firms interested in providing Professional Engineering Services for Sewer Projects in Jefferson Parish Department of Engineering.

Deadline for Submissions: 3:30 p.m., May 15, 2026

General

Routine engineering services are for contracts where the total engineering fee, exclusive of resident inspection services, will not exceed \$500,000.00 per assignment. Firms deemed qualified for this work shall be eligible for award of routine sewer contracts for a two-year period.

The firms submitting a Statement of Qualifications (TEC Professional Services Questionnaire) must identify all sub-consultant firms which they expect to use to provide professional services, and submit a Statement of Qualifications (TEC Professional Services Questionnaire) for each sub-consultant firm. (Refer to Jefferson Parish Code of Ordinances, Section 2-928).

Compensation

Compensation for the required services will be made on an hourly rate basis or a fixed fee basis, or a combination of both, depending on scope and complexity of the work. The Parish reserves the right to determine the method of payment (hourly or fixed) for each individual assignment.

For hourly rate work, the firm shall be compensated by the appropriate Jefferson Parish Department on the basis of their certified and itemized salary costs plus a fee to cover overhead costs and profit in accordance with guidelines established in Attachment "A" to the Standard Professional Services Agreement for Jefferson Parish. A copy of Attachment "A" may be obtained by calling the Jefferson Parish Department of Capital Projects at (504) 736-6833.

For fixed fee work, the fee shall be negotiated with the firm by the appropriate Jefferson Parish Department and shall be mutually agreeable to both parties.

All costs associated with this project shall be subject to Jefferson Parish review and approval.

The estimated fees for this work may vary among different assignments; however, no individual assignment can have a fee exceeding \$500,000.00, exclusive of resident inspection services. There is no limit to the number of assignments that can be awarded to a person or firm.
