

# FRENCH QUARTER

-  **Victim, deceased or injured** (according to videos)
-  **Other observations** (according to videos)
-  **Former bollard barrier locations**

**1**  
Truck swerves around a police SUV that was blocking traffic, then drives over an inoperable 'wedge' road barrier.

Truck veers toward a group of 4-6 people near corner of Bourbon and Iberville

Truck's engine hood flips up about a quarter to a third due to previous impacts

The truck's engine hood flips up completely, possibly obstructing attacker's view

## EMS victim information

- ▶ **12** deceased on scene, including the shooter
- ▶ **10** who needed immediate medical attention
- ▶ **9** who would need medical attention soon
- ▶ **8** injured, but up and walking around

Not all victims accounted for on this map. Some injured victims left without EMS treatment.

Police SUV serving as a temporary roadblock

Attacker's truck before turning onto Bourbon Street

Boom-lift vehicle

**2**  
At least 14 people killed and dozens injured during attacker's high-speed rampage down Bourbon Street that spanned roughly 15 seconds.

**3**  
Truck crashes into a boom-lift vehicle. About 20 seconds later, gunfire erupts and Shamsud-Din Jabbar is killed. Remote detonator and homemade explosives found in truck.
