Dear Deputy Director Bell:

In accordance with Rule 60L34.007(3)(f) Florida Administrative Code, this is to inform you that you are being placed on administrative leave with pay, effective immediately, while the Department of Business and Professional Regulation conducts an internal investigation.

You are required to cooperate with departmental staff who may contact you during this internal investigation. You shall not initiate any contact with departmental staff unless requested to do so as part of this internal investigation. Further, you shall not be present at any department facility during this internal investigation.

You are to surrender all state/department property to me immediately. Your access to Department network resources will be withdrawn until the investigation is completed. When the department's investigation is completed, a decision will be made as to whether further personnel action is required.

You must provide me with a telephone number where you can be reached on weekdays during regular business hours, and you must be available to return to work immediately upon request. In addition, you must contact me at 407.245.0149 each normal workday between 8:00-9:00 AM and 4:00-5:00 PM in case there are new instructions. If you are unable to speak directly to me, please leave a message and I will return your call as soon as possible.

If you have any questions regarding this action, please contact Lorraine Irvin, Chief of Human Resources Management at 850.921.6778.
