Abbey Road Walking Track and Playground for the Recreation Department ECM Project No. 23487.01 LOCD Project No. 26LDRC7701

This Bid is being funded with Federal financial assistance in the form of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds from the Louisiana Office of Community Development – Disaster Recovery under the Resilient Communities Infrastructure Program ("RCIP" or "Program") and therefore will include the associated federal requirements in the Community Development Block Grant Program - Disaster Recovery and Mitigation Rider ("CDBG-DR Rider") as applicable in this solicitation and any resulting contract. Bidder shall comply with all federal requirements applicable to this bid.

- Funding by CDBG-DR (SAM.gov Assistance Listing 14.228)
- Resilient Communities Infrastructure Program (RCIP)
- RCIP Project No. 26LDRC7701

The project consists of construction of concrete path, driveway and shelter, playground, landscaping, etc. in the Abbey Rd Park.

Purchases for this project shall be exempt from state sales and use tax according to La. R.S. 47:301(8)(c)(i). The successful bidder shall be granted the tax-exempt status of Jefferson Parish via Form R-1020, Designation of Construction Contractor as Agent of a Governmental Entity Sales Tax Exemption Certificate. Form R-1020 is distributed by the Louisiana Department of Revenue.

All bids must be in accordance with the contract documents on file with the Jefferson Parish Purchasing Department, Suite 4400, Jefferson Parish General Government Building, at 200 Derbigny Street, Gretna, Louisiana. Late bids will not be accepted.

Each Bid must be accompanied by an electronic bid surety bond in the amount equal to five percent (5%) of the total amount bid, and payable without condition to the owner. Vendors must submit an electronic bid bond through the respective online clearinghouse bond management system(s) as indicated in the electronic bid solicitation on Central Auction House. No scanned paper copies of any bid bond will be accepted as part of the electronic bid submission.

The drawings and specifications are on file and open for inspection in the Jefferson Parish Purchasing Department, Suite 4400, Jefferson Parish General Government Building, at 200 Derbigny Street, Gretna, Louisiana. Geotechnical information related to this project, if available, is also on file for review with the Jefferson Parish Purchasing Department. This geotechnical information is for reference for bidding purposes only and may not be representative of the total area of the project as soil characteristics may vary from one place to another. Contractors may be required to conduct their own geotechnical inspection and provide proof of said inspection prior to the start of work.

A complete set of Contract Documents may be secured from ECM Consultants, Inc., 1301 Clearview Parkway, Suite 200, Metairie, LA 70001, (Phone: 504-885-4080 or Fax: 504-885-1439) by licensed contractors upon receipt of \$120.00 per set. Deposits on the first set of documents furnished bona fide prime bidders will be fully

refunded upon return of documents in good condition no later than ten (10) days after receipts of bids.

The successful bidder will be required to furnish a performance bond guaranteeing faithful performance of the contract. Companies providing the bonds shall comply with the requirements of LA-R.S. 38:2218 and R.S. 38:2219 as applicable.

The Jefferson Parish Council reserves the right to reject all bids and to reject bids for just cause, pursuant to the law. Jefferson Parish and its partners as the recipients of federal funds are fully committed to awarding a contract(s) to firm(s) that will provide high quality services and that are dedicated to diversity and to containing costs. Thus, Jefferson Parish strongly encourages the involvement of minority and/or woman-owned business enterprises (DBE's, including MBE's, WBE's and SBE's and Veterans Owned Businesses), and Section 3 Business Concerns to stimulate participation in procurement and assistance programs.

All prospective bidders are invited to attend this non-mandatory pre-bid conference which will be held at 10:00 a.m. on June 4, 2026 at The General Government Building located at 200 Derbigny Street, Suite 4400, Gretna, LA 70053. However, failure to attend the pre-bid conference shall not relieve the bidder of responsibility for information discussed at the conference. Furthermore, failure to attend the pre-bid conference and inspection does not relieve the successful bidder from the necessity of furnishing materials or performing any work that may be required to complete the work in accordance with the specification with no additional cost to the owner.

The attention of bidders is called particularly to the requirements for conditions of employment to be observed and minimum wage rates (federal prevailing wage rates) to be paid under the Contract, Section 3 of the Housing and Community Development Act of 1968, Section 109 (Non Discrimination) of the Housing and Community Development Act of 1974, Section 503 (Non-Discrimination Against Employees with Disabilities) and Section 504 (non-discrimination against individuals with disabilities) of the Rehabilitation Act of 1973, Segregated Facilities, Executive Order 11246, equal opportunity requirements, and all applicable laws and regulations of the Federal Government and State of Louisiana and bonding and insurance requirements. For more information see the CDBG-DR Rider in the project manual.

All contractors and subcontractors will be required to comply with Title VI of the Civil Rights Act of 1964, the Davis Bacon Act, the Anti-Kickback Act, and the Contract Work Hours and Safety Standards Act.

Jefferson Parish and its partners as the recipients of federal funds are fully committed to awarding a contract(s) to firm(s) that will provide high quality services and that are dedicated to diversity and to containing costs. Thus, Jefferson Parish strongly encourages the involvement of minority and/or woman owned business enterprises, small businesses (DBE's, including MBE's, WBE's and SBE's) along with veteran-owned businesses and labor surplus area firms (See U.S. Department of Labor's List), and Section 3 Business Concerns to stimulate participation in procurement and assistance programs.

Jefferson Parish is an equal opportunity employer.

Sureties used for obtaining bonds for this project must appear as acceptable on the U.S. Department of the Treasury Circular 570. This is required by the funding agency.

Successful bidder must have an active Unique Entity ID (UEI), as verified on www.sam.gov, prior to award of contract.

Any person with disabilities requiring special accommodation must contact Jefferson Parish no later than seven (7) days prior to bid opening: ADA Coordinator/Office of Citizens with Disabilities, 1221 Elmwood Park Blvd., Suite 403 Jefferson, LA 70123, (504) 736-6086, ADA@jeffparish.net

PUBLIC NOTICE SOQ 26-014

Coastal Engineering and Consulting Services

The Parish of Jefferson, authorized by **Resolution No. 148422** is hereby soliciting the submittal of a Statement of Qualifications (Jefferson Parish Technical Evaluation Committee (TEC) Professional Services Questionnaire) from additional persons or firms interested and qualified in providing Coastal Engineering and Consulting Services on an as-needed basis for miscellaneous projects located throughout Jefferson Parish for the Department of Coastal Management on an as-needed basis for the remainder of the three year period, which terminates on April 5, 2028, with maximum annual allowable fees of \$500,000.00 per project. (Parishwide)

The thirty-three (33) persons or firms currently approved by Council Resolution No. 144094, dated September 10, 2024 should not respond to this advertisement, which is for the sole purpose of approving additional persons or firms qualified to provide routine engineering services for Coastal Engineering Consulting Services in Jefferson Parish.

Deadline for Submissions: 3:30 p.m., May 29, 2026

General

Specific scope of coastal engineering consulting services may include civil, hydraulic, hydrologic, environmental, mapping and CAD support. Work may include planning, permitting, design, bidding and construction administration and related supplemental services on an as-needed basis for projects located throughout the Parish as selected by the Parish Council.

This scope for coastal restoration and protection services includes but is not limited to marsh and ridge restoration, shoreline stabilization and protection, beneficial use of dredge material, living shoreline design, hydrologic and hydraulic modeling, design analysis and reports, biological and environmental assessments of wetlands, technical evaluations, cost estimates, opinions of probable construction cost and field investigations. In addition to technical services, the scope includes coastal grant writing, outreach and educational support and development of associated marketing materials.

Projects may include the following supplemental services: surveying (including bathymetric) and onshore and nearshore geotechnical services.

The Council, at its discretion, may choose one or more qualified firms to provide the services.

Compensation

Compensation for the required design services will be made on an hourly rate basis or a fixed fee basis, or a combination of both, depending on scope and complexity of the work. The Parish reserves the right to determine the method of payment (hourly or fixed) for each individual assignment.

For hourly rate work, the firm shall be compensated on the basis of their certified and itemized salary costs plus a fee to cover overhead costs and profit in accordance with guidelines established in Attachment "A" to the Standard Professional Services Agreement for Jefferson Parish. A copy of Attachment "A" may be obtained by calling the Jefferson Parish Department of Capital Projects at (504) 736-6779.

For fixed fee work, the fee shall be negotiated with the firm by the Jefferson Parish Department of Ecosystem and Coastal Management and shall be mutually agreeable to both parties.

Compensation for supplemental services, if required, shall be in the form of a "lump sum" for each supplemental service, which shall be mutually agreeable to the Parish and the Consultant.

All costs associated with this project shall be subject to Jefferson Parish review and approval.

A maximum yearly cap established by Jefferson Parish based on anticipated needs for these services shall be \$500,000 per engineering contract, and the established cap shall not be increased without Council approval.

Minimum Requirements for Selection

- The persons or firms under consideration shall have at least one (1) principal who is a licensed, a professional

engineer in the State of Louisiana (Section C. of TEC Professional Services Questionnaire);

- The persons or firms under consideration shall have a professional in charge of the Project who is a licensed, registered engineer in the State of Louisiana with a minimum of five (5) years' experience (Section K. "PROFESSIONAL IN CHARGE OF PROJECT:" of TEC Professional Services Questionnaire);
- The persons or firms under consideration shall have one (1) employee who is a licensed professional engineer in the State of Louisiana in the applicable discipline involved. A subcontractor may meet this requirement only if the advertised Project involves more than one discipline (Section D. of TEC Professional Services Questionnaire).

Principal is defined as the sole proprietor of the firm, or one who shares an ownership interest with other persons in the firm, including but not limited to, a partner in a partnership, a shareholder in a corporation, or a member of a limited liability corporation.

Evaluation Criteria

The following criteria shall be used to evaluate each firm submitting a Statement of Qualifications:

- Professional training and experience in relation to coastal engineering including, but not limited to, coastal planning, permitting, design, marsh and ridge restoration, shoreline stabilization and protection, beneficial use of dredge material, living shoreline design, hydrologic and hydraulic modeling, biological and environmental assessments of wetlands, design analysis and reports, technical evaluations, cost estimates, field investigations, coastal grant writing, outreach and educational support (Maximum points awarded shall be 35).
- Size of firm considering the number of professional and support personnel required to perform the type of engineering tasks, including project evaluation, project design, drafting of technical plans, development of technical specifications and construction administration (Maximum points shall be 20).
- Capacity for timely completion of newly assigned work, considering the factors of type of engineering task, current unfinished workload, and person or firm's available professional and support personnel – (Maximum points shall be 20).
- Past Performance by person or firm on projects of or similar comparable size, scope, and scale. Assertions of fault by a person or firm, which shall include time delays, cost over-runs, and/or design inadequacies in prior work completed for the Parish shall be evidenced by substantiating documentation provided by the Director of Public Works for the requesting department or the Director of Engineering and received by the Chairman of the Evaluation Committee a minimum of two (2) weeks prior to the scheduled date of the Technical Evaluation Committee meeting (Maximum points awarded shall be 10).
- Location of the principal office – Preference shall be given to persons or firms with a principal business office as follows: (A) Jefferson Parish, including municipalities located within Jefferson Parish (15 Points); (B) Neighboring Parishes of the Greater New Orleans Metropolitan Region, which includes Orleans, Plaquemines, St. Bernard, St. Charles and St. Tammany Parishes (12 Points); (C) Parishes other than the foregoing (10 Points); (D) Outside the State of Louisiana (6 Points). Location of the principal office shall only factor into the evaluation criteria if adequate competition (two or more firms that are responsive and responsible) are located within Jefferson Parish - (Maximum points awarded shall be 15).
- Adversarial legal proceedings between the Parish and the person or firm performing professional services, in which the Parish prevailed or any ongoing adversarial legal proceedings between the Parish and the person of firm performing professional services, excluding those instances or cases where the person or firm was added as an indispensable party, or where the person or firm participated in or assisted the public entity in prosecution of its claim. In the event that the person or firm fails to provide accurate and detailed information regarding legal proceedings with the Parish, including the absence of legal proceedings, the person or firm shall be deemed unresponsive with regard to this category, and zero (0) points shall be awarded (Maximum points awarded shall be 15 for the lack of any such adversarial proceedings as defined).
- Prior successful completion of projects of the type and nature of the engineering services, as defined, for which firm has provided verifiable references (Maximum points awarded shall be 15).

Each firm's lowest and highest score shall be dropped and not count towards the firm's score. Only those persons or firms receiving an overall cumulative score of at least seventy (70) percent or greater, of the total possible points for all categories to be assigned by the participating technical evaluation committee members, shall be deemed qualified to perform these professional services.

All firms (including sub-consultants) must submit a Statement of Qualifications (Jefferson Parish TEC Questionnaire). Firms must identify all subcontractors who would assist in providing professional services for the project, in the professional services questionnaire (Jefferson Parish TEC Questionnaire). Each subcontractor shall submit all documents and information required by the prime, including but not limited to identifying all licenses a subcontractor is purporting to fill. Substitutions or subsequent addition of subcontractors to the project must be ratified by council resolution. Please obtain the latest questionnaire form by calling the Purchasing Department by telephone at (504) 364-2678 or using our web address: www.jeffparish.gov. This questionnaire can be accessed by clicking departments then clicking purchasing then clicking procurement opportunities then SOQs.

Submissions will only be accepted electronically via Jefferson Parish's e-Procurement site, Central Bidding at www.centralauctionhouse.com or www.jeffparishbids.net. Registration is required and free for Jefferson Parish vendors by accessing the following link: www.centralauctionhouse.com/registration.php.

No submittals will be accepted after the deadline.

Affidavits and Insurance are not required to be submitted with the Statement of Qualifications, but shall be submitted prior to contract approval.

Disputes/protests relating to the decisions by the evaluation committee or by the Jefferson Parish Council shall be brought before the 24th Judicial Court.
