**Subject:** FW: Meeting request to discuss STR and condo issues

Good afternoon,

As I'm sure you are aware, our office is getting numerous meeting requests regarding short-term rentals as well as the variety of other items that are set to come before the City Council.

In order to properly prepare for a potential meeting regarding short-term rentals and any other issues you want to discuss, provide our office with a detailed memo that specifically explains your position on short-term rentals, your issues with the zoning dockets related to this matter (ZD 26/19 and 27/19), any proposed changes you are recommending.

Best regards,

Domonique Dickerson, Esq.

This is how you treat people who help you. Ira has never been against you and helped whenever you have asked. You have a ongoing habit of treating people who have supported you with tremendous disrespect. Ira won't say anything about this but, if this is who you intend to behave for the next two years. Message received.

Have a great day.
