

This Week's

Panther Project

Ruby's Rain of Hope Project

This week at Montessori we have been participating in a Coin Drive to support Ruby's Rain of Hope Project.

Ruby's Rain of Hope Project is a 501(c)(3) nonprofit started by Ruby, a 12-year-old former Lincoln Montessori student.

Inspired by her mother's cancer journey, Ruby's mission is to provide care bags to cancer patients, offering comfort, encouragement, and hope during treatment and recovery. Through fundraising and community partnerships, the project provides meaningful items and handwritten notes from Ruby and other children, while also teaching local youth the value of philanthropy and giving back. Our school raised just shy of \$2000 to help support this cause!

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
