

This Week's

Panther Project

Panther Pride Time

Jefferson Elementary is starting a new project involving the entire school, called Panther Pride Time. Every staff member has a group of 5 to 8 students they will meet with a few times per year. Children will remain in the same group with the same staff member for the duration of their time at Jefferson. This will provide the students with the opportunity for building a relationship with a trusted adult and small group at the school, providing a greater sense of security and shared community. They will be encouraged to share their thoughts and feelings, with emphasis on connecting with and appreciating others while building social support.

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
