Wishing you and yours a joyful holiday season filled with meaningful moments spent with friends and family.

All of us at Magnolias would like to sincerely thank you for participating in the **Online Christmas Tree Decorating Contest**. We are truly grateful to have been part of your holiday decorating—both here in our local community and in homes across the country through our online store.

Seeing your creativity, holiday spirit, and beautiful trees brought us so much joy. Creating beauty at Christmas is at the heart of what we do, and it is an honor to help make your homes feel warm, festive, and special during this season.

Thank you for sharing your traditions with us and for allowing Magnolias to be a small part of your holiday celebrations.

With gratitude and warm holiday wishes,

Amy, Kate & The Magnolias Team
