

This Week's

Panther Project

Lincoln Field Trip

The Jefferson Elementary fourth-grade class embarked on their much-anticipated annual field trip to Lincoln last week! Students kicked off their adventure with a self-guided tour of the beautiful State Capitol Building, where they even had the special opportunity to hear from Senator Dover and ask insightful questions about his work.

Next, the young explorers delved into the wonders of natural history at Morrill Hall, exploring its many fascinating exhibits. The day concluded with an unforgettable stop at Memorial Stadium, home of the Huskers! Students received a small tour and, to their delight, even got to run across the legendary football field. It was a day full of learning, discovery, and excitement for all!

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
