# Panther Project

## Reading Success at Washington

Students have been busy celebrating their love of reading through several exciting literacy activities. Many students recently reached their personal reading goals, and celebrated with exciting activities. The school also held a successful fundraiser. Thanks to the generosity of families and community members, every student in the school was able to receive free books and fun prizes. Students and staff are taking part in themed activities, discussions, and classroom projects connected to the story. The activity has created a shared reading experience across grade levels and has sparked many conversations about the book. The goal of these activities is to help students see reading as something exciting and meaningful. By celebrating reading achievements, providing access to books, and sharing stories together as a school, Washington Elementary continues to build a strong community of readers.
