Celebrate Creativity

Every Fall Mrs. Erickson and Mrs. Carlisle take 50 Sixth graders to Celebrate Creativity at the Joslyn Art Museum. The day-long event gives students the opportunity to take a guided tour of one of Joslyn's art galleries and participate in creativity sessions focused on art, music, dance, and theater before ending the day listening to a performance by the Omaha Symphony. The Omaha Symphony and the Joslyn Art Museum do an amazing job of providing students with a memorable experience and the students continually do a wonderful job of representing NPS on this annual field trip.

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
