

This Week's

# Panther Project

## Music, Art and Fun!

Students from Grant elementary recently performed in an all school concert on March 23. Performing is a great way to build teamwork and confidence among students! Students sang songs, and performed movements to music. Adding movement helps children follow a piece and recognize the various sections and repeats in music.

The kindergarteners also got to include one of their art projects in their performance. Miss. Bonner helped them create bird puppets during art class, which they used to “dance” along with their song “All the Baby Birds.”

Our concert also featured select 3rd graders performing a folk dance. Folk dance is a great way to teach children timing and phrasing in music, and well as foster a sense of community in the music class. Not to mention it's FUN!

Thank you to everyone who was able to attend the concert! It was a GREAT experience with GREAT great students!!

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
