

This Week's

Panther Project

Learning Every Day

Little Panthers Preschool classrooms are full of learning every day! Our students have been making connections to books by creating art based on the books they're reading, practicing how to work with one another, and being a good listener. Many of our classes were excited to have a visit from a 911 Dispatcher and learned the importance of our emergency services and how to get help when needed!

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
