## OrthoNebraska meets Highest National Standards

OMAHA — OrthoNebraska has earned The Joint Commission's Disease Specific Care Certification in Shoulder Replacement. OrthoNebraska is the first and only provider in the state to achieve this. This certification means the care patients receive at OrthoNebraska meets the highest national standards for safety, outcomes and overall experience. Patients in Norfolk and across the state can access shoulder care guided by proven, evidence-based practices and delivered by coordinated expert teams that provide confidence in both their care and their results.
