## About Kaylen

Kaylen Tunink is a Northeast Nebraska real estate professional who believes real estate is about people, not properties, and is passionate about guiding individuals and families through meaningful life transitions with honesty, patience, and care.

A proud mother of four, Kaylen holds a Bachelor's degree in Business, Marketing, and Information Technology Education and an Associate of Arts in Accounting. She brings more than a decade of experience in banking, real estate, accounting, and higher education, and also serves as a high school educator, shaping her belief that growth and learning extend far beyond the classroom.

Kaylen has walked through a life-changing journey with breast cancer, a season that strengthened her faith and clarified her purpose, reminding her that trials refine us and that God is always at work. That calling led her to the Inspire Realty Team, where she is committed to walking alongside clients with integrity, compassion, and trust during times of transition.

Buying or selling a home is more than a transaction, it is a meaningful life transition. Kaylen is honored to serve individuals and families in Norfolk and throughout the state of Nebraska, helping clients wherever their next chapter may take them. She walks alongside her clients as a trusted guide with care, professionalism, and faith, trusting God to lead the way and stewarding every opportunity with purpose.
