

This Week's

Panther Project

Welcome Back to School!

The school year is off to a great start at Westside Elementary! Students are settling into routines, getting to know their teachers and classmates, and jumping right back into learning. Classrooms are busy with reading, writing, math, and lots of opportunities to learn and grow! Students are also enjoying recess, specials, and building new friendships. It has been wonderful to see their excitement, smiles and enthusiasm as they begin another wonderful year at Westside! We are looking forward to all the great things our students will accomplish this school year!

The mission of Norfolk Public Schools is to prepare all students to pursue their goals for the future.
