## Buffalo Corral System Construction

Issued: Date: February 5, 2026

Response Deadline: Date: March 5, 2026

### Introduction and Purpose

The Ponca Tribe of Nebraska (Tribe) is inviting qualified contractors to bid on construction of Corral system on tribal land in Knox County, Nebraska. The system will focus on tracking and handling buffalo to ensure needed vaccinations. This project is a key component in the Tribe's vision that integrates traditional practices with modern techniques, empowering the Tribe's buffalo herd to continue to thrive.

The key goals of this system are proper tagging and vaccinations to ensure overall health and sustainability for the future of our buffalo program.

### Scope of Work

The contractor selected will be responsible for construction of the Corral system. The scope of work includes the following:

#### Site Preparation and Infrastructure Development

Preparation of the site for construction is already complete. This included clearing trees, vegetation, grading, and metal recycling to ensure the land has a level foundation. Water source and electricity will be added during the corral system build process. Additional grading of access roads to and from the corral system will be completed in-house to ensure safe and efficient access for staff and service vehicles.

### Submittal Deadline

The Tribe will accept proposals until 3/5/2026 by 4pm CST. Proposals should be submitted electronically to Christine Minarik, [christinem@poncatrIBE-ne.gov](mailto:christinem@poncatrIBE-ne.gov). No Late proposals will be accepted.

### Point of Contact

For a complete Scope of Work for this RFP please email: Christine Minarik, [christinem@poncatrIBE-ne.gov](mailto:christinem@poncatrIBE-ne.gov).
