CONSTRUCTION MANAGER RFQ

The Lund Company represents Midtown Health Center, a not-for-profit, federally qualified health center based in Norfolk NE, with Strategic Advisory & Project Management Services. We will serve as the primary point of contact for this process and throughout the duration of the project. Please do not contact Midtown directly.

Midtown intends to develop a new administrative office building in Norfolk; whereby, they wish to have a modern, efficient, flexible building that will meet its needs for the foreseeable future and is looking for a Construction Manager to be part of the project team.

The program statement is typical administration spaces including open office, enclosed office, conference rooms, staff training rooms and typical support areas totaling 20,000 sf. The preferred solution is single-story, and their chosen site will support the building as well as required parking. We are currently analyzing the potential for geothermal and solar with intent to incorporate them if feasible. We intend to design the project in Q1-Q2 2024; and may commence construction in 2024 or delay into 2025. We are concurrently soliciting Architecture and Engineering Services.

One of our core principles is to assemble firms and people around a project who fit well with the client's culture, are open and honest communicators, and consistently add value to the project AND to the entire project team. We don't believe in excessive questioning or ask for a lot of work at this stage, so this is our plan:

If interested, assemble an AIA 305 Contractor's Qualification Statement, relevant information about your firm, and a short statement about why your firm should be selected for this project. Transmit to Carisa.Ames@LundCo.com, by 5:00 pm Tuesday January 16

By Friday January 19 we will notice a short-list of firms with the opportunity to participate in a 30-45 minute virtual interview during the week of January 22 with possible extension into the week of January 29.

By Friday February 2, we will notice a final list of firms with the opportunity to respond to a formal Request For Proposal.

Our intent is to award in February and commence immediately.

If you have questions, you may contact Timothy.Mettenbrink@LundCo.com or 402-618-2692.
